WP(C) No. 14656 of 2007

Dated, this the 7th day of June, 2007

This WP(C) is filed challenging ADM's order approving drawl of electric line for giving connection to 3rd respondent. Third respondent is the elder brother of the petitioner. The line approved is only weather proof line and out of which only 7 meters passes over petitioner's property. A weather proof line is insulated cable. Therefore it is not going to cause any damage or injury to the petitioner. This WP(C) is therefore devoid of any merit and is accordingly dismissed. There will be direction to the concerned Assistant Engineer to give connection to the beneficiary by using weather proof line within a week from the date of production of a copy of this judgment.
